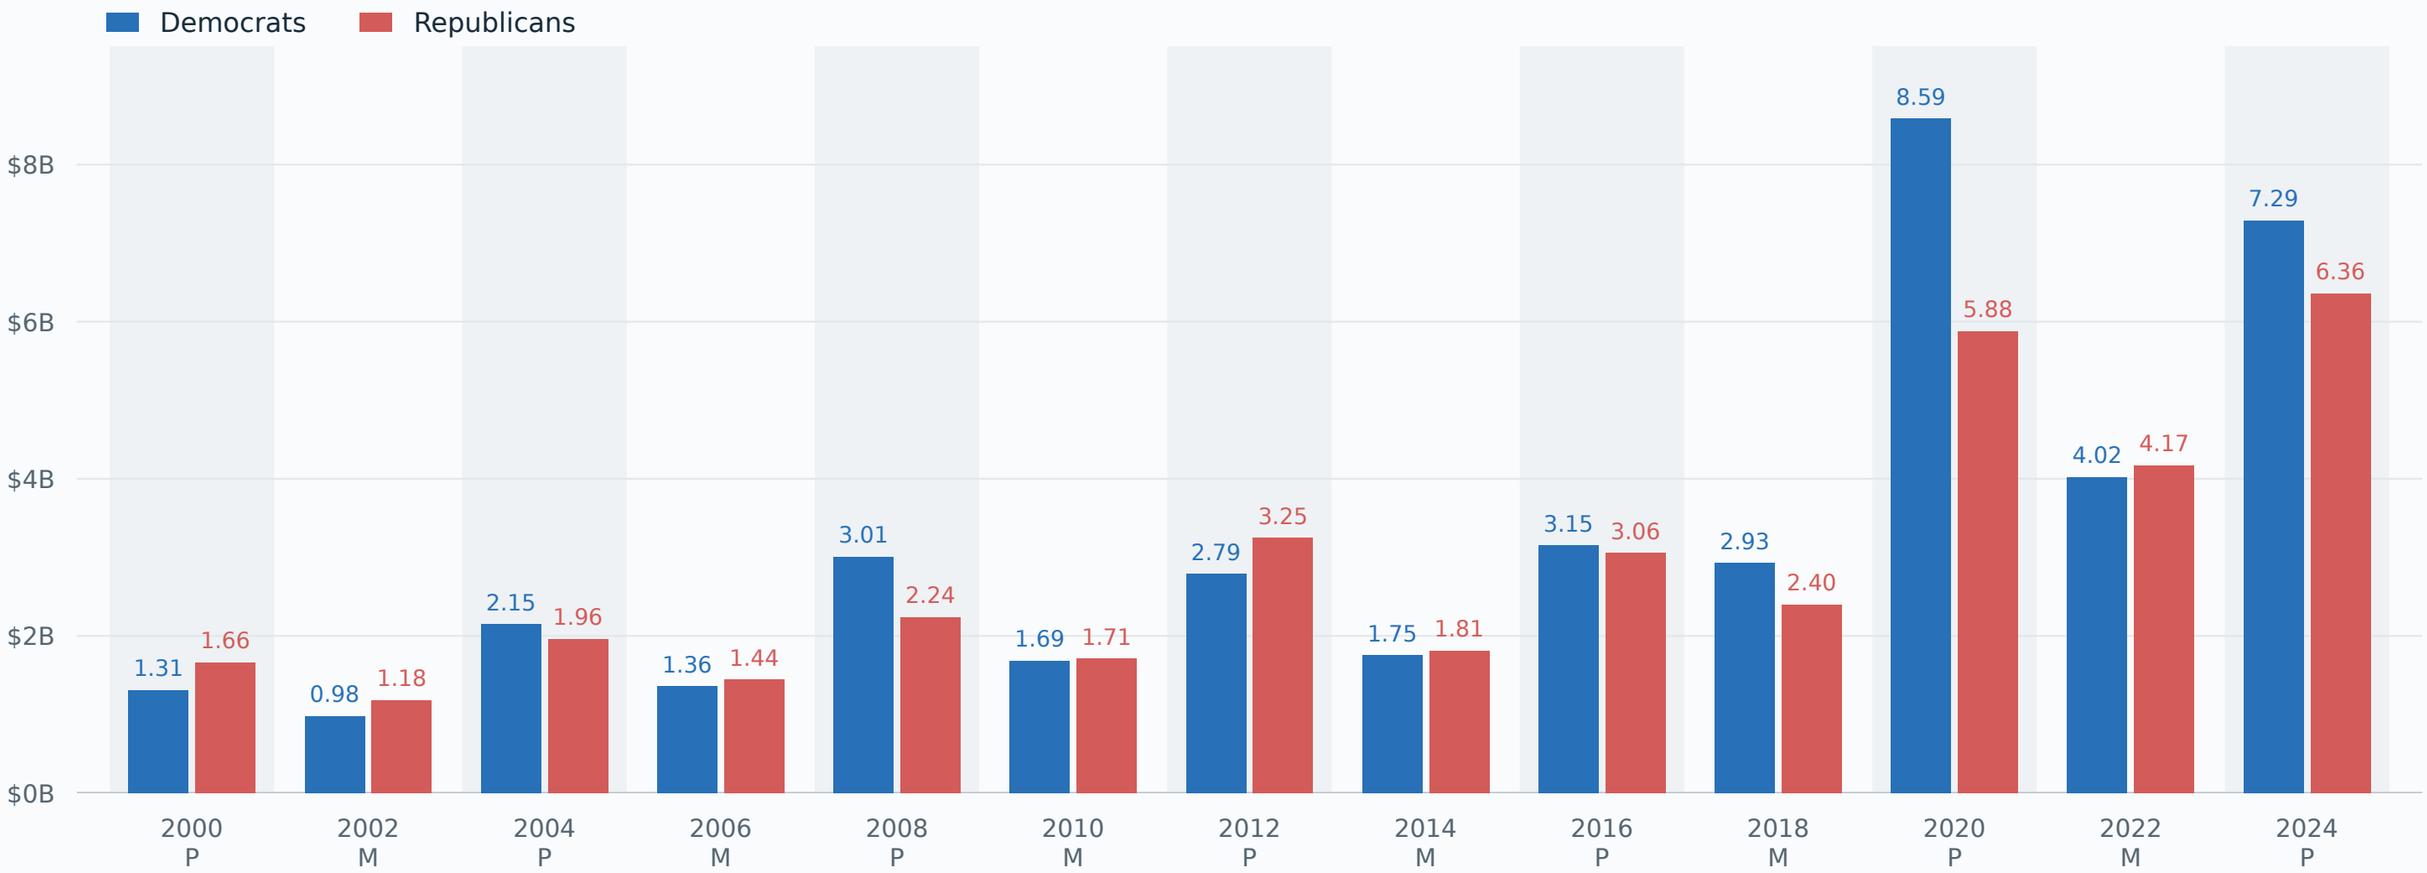
Federal election spending by party

2000–2024 • Two-year cycles • President, House and Senate

Reported dollars, not adjusted for inflation



P = presidential cycle, including congressional races. M = midterm cycle. Labels show billions of dollars.

Includes candidates, party committees and reported outside spending, including Super PACs. Major transfers are removed to avoid double counting.

Federal elections only; excludes unreported activity. Party amounts use OpenSecrets attribution; third-party and unallocated spending are omitted.

Coverage changes: detailed method from 2010; PAC overhead from 2014; joint fundraising committee overhead from 2022.
